Hello Pascal,

Phil Isorena has authorized the following changes for the NPDES permit contractor support:

1. Remove support for Stimpel-Weibelhaus (CA0084140) from TO-38 and replace with Rio Vista WWTP (CA0092771).
2. Remove support for Hydrostatic Test (CAG679001) from TO-38 and replace with US Naval Base Coronado (CA0109185).
3. Transfer support for Encina Power Plant (CA0001350) and SONGS (CA0108073) from TO-32 to TO-38.
4. Transfer support for Shelter Cove POTW (CA0023027), Escondido (CA0108944), and US Naval Base Coronado (CA0109185) from TO-38 to TO-32.

We have notified the Regional Boards of the changes, a spreadsheet with the requested changes is attached.

Please let me know if you have any questions.

**Subject:** NPDES Permit Contractor Support Switch

Hello Pascal,

Diana and Phil have authorized the permit swap out for RB9. Please switch contractor support from hydrostatic Test Waters General Permit (CAG679001) to US Naval Base Coronado (CA0109185). I anticipate RB5's response next week regarding Stimpel-Wiebelhaus (CA0059188) swap out and if received will provide this information to you before noon on December 23, 2014.

I would like to set up another meeting to discuss RB9's changes between TO-32 and TO-38. Please see the email below for RB9's request and the attached spreadsheet. Please look for my meeting request.

Gil-

Thank you for your help with this. I marked the cells I modified with yellow highlight. I also added a new column with additional notes. From looking at the updated spreadsheet, I recommend the following:

- SWAP Hydrostatic Test Waters permit with Naval Base Coronado permit.
- MOVE HARRF-Escondido Creek and Naval Base Coronado from TO-38 to TO-32.
- MOVE Encina and SONGS from TO-32 to TO-38.

Please let me know your thoughts!

Brandi
